

AMERICAN WOOD MOULDING L.L.C.

MAHOGANY

Cove Moulding

A concave profile used at corners, particularly as a ceiling cornice. Small coves may be used as an inside corner guard.

WM #	SAP#	Size	Length	Pcs./Bundle
100-MAH	300017	11/16 x 11/16	6'-16'	40

Corner Guard

This is used to protect corners or to cover ragged edges where wall coverings and painted surfaces meet at outside corner.

205-MAH8	300306	1-1/8 x 1-1/8	8'	40
206-MAH8	300306	3/4 x 3/4	8'	40

Base Mouldings

Applied where floor & walls meet, forming a visual foundation. Protects walls from kicks, bumps, furniture etc.

L635-MAH	302140	3/8 x 2-3/4	6'-16'	10
